The Druze Manuscripts in the *Biblioteca Reale* of Turin

THE MOST recent news about the Arabic manuscripts of the Biblioteca Reale of Turin as a whole has been given in a Festschrift, about fifteen years ago,¹ but the only value of the article—at least concerning the Druzes manuscripts—was to point out their existence. Actually more than 120 texts related to the Druzes are to be found in this Library, but less than a dozen of their titles are mentioned in that work and, what's more, sometimes they seem to have been chosen at random.² I do not have extensive experience on this difficult subject, but I hope to do something useful with a complete list of these texts and the references to the others with the same titles in all the catalogues of Western libraries, which I have been able to consult.³ I think it can provide a minimum starting point for any further research. Those who know that any serious study is more perspiration than inspiration will appreciate my little contribution.

The origin of these manuscripts is given in a short paper joined to the ms. n. 82, where we can read: “Six Volumes of Druze religious manuscripts. Presented to His Majesty in December 1839 by Claude Bey-Bassa Doctor of Mehemed Aly, Viceroy of Egypt”. The same Egyptian origin is given also for other Druze manuscripts in the European libraries: cf. *JRyl* 118(41a); *Mün2* 979; *MusAs*, p. 45ff; *Paris*, p. 276ff; *Upps*, p. 316ff; *Wien2*, p. 29ff. Some volumes have been transcribed by Christians (cf. *JRyl*, p. 183) and even defined booty of war (cf. *BrMusS*, p. 140).⁴

¹ S. Noja, “I manoscritti arabi della Biblioteca Reale di Torino”, in R. Traini (ed.), *Studi in onore di Francesco Gabrieli nel suo ottantesimo compleanno*, Università di Roma “La Sapienza”, Dipartimento di Studi Orientali, Roma 1984, p. 545-579. A rich bibliography but only a few titles of manuscripts are to be found in the recent S.S. Swayd, *The Druzes. An annotated bibliography*, Kirkland (Wa) 1998.

² Cf. *ibidem*, p. 563-564, where only one title is given (but not the first) of the ms. n. 82/2, while it contains more than 20 texts.

³ I would like to thank prof. R. Traini for his kind advice in researching this paper.

⁴ Cf. also Ph. K. Hitti, *Lebanon in History*, London 1957, p. 409-410.

59 (A37) (see also 83-3)

Attached sheet: "Book on the Druze religion written in Arabic with the title Gemhuzie. This is written in nashî characters, which are also found accompanied by their own vowels and points correctly marked from start to finish in order to avoid any variant reading as is also used in writing almost all copies of the Koran. This codex, entirely written in the hand of one of the most renowned Druze leaders, Shaykh Abu-l-Kataib Asmet-uddin, was owned by Emir Haidar of the illustrious Druze family Abilemaa⁵ which now governs the Christian part of Lebanon. This prince, having converted to Christianity, gave up various other similar manuscripts concerning Druze superstitions".

Paper ms., in nashî, 202 × 150 mm., cc. 55.

⁵ Some sources would appear to indicate the Abû-l-Lama' and the Shihâb families as providers of some Druze texts which arrived in Europe, as in the case of the *Codex Berggrenianus* of Stockholm: "Ce manuscrit précieux, qui contient l'Écriture sainte ou Évangile des Druzes, m'a été donné en cadeau par Jean Maron Ossoli, évêque et vicaire patriarcal à Zouc au Mont-Liban. Il m'a dit, qu'il a été pris d'un des Sages de Druses dans une guerre civile entre ceux-ci et les Maronites; mais je sais, qu'il a été pris de la bibliothèque du père du Prince des Druses actuel, lequel, au moment de mourir, se fit

faire chrétien avec toute sa famille, et chez le successeur duquel, ou le Prince actuel, le susdit évêque, mon ami et bienfaiteur, a été confesseur neuf ans", in *Stoc*, p. 14.

نكتب مسایل واجوبة تختص بمعتقد الدرور وقد حذفنا السؤال والجواب للاختصار

A Druze “catechism” with 102 questions and answers²⁰ (some underlined in red)

Berl III 4341 3(6b-13a); *Bodl* III 5; *Borg* 207 by the missionary Giuseppe Papilla, 208 (an enlarged version of the same) by the same author with the pseudonym Giuseppe Molinari, 313; *BrMus* MCXLVIII 5; *Copen* LXXIV; *Hann Arab.* 45 (orient. 70); *Mbi*, vol. L, 1931,

¹⁹ Cf. G. Graf, *Geschichte der Christlichen Arabischen Literatur*, Vatican City 1944-53, p. 242-245.

²⁰ A similar catechism, but with only about forty questions and answers, is found in Arabic with Latin translation in I.G. Adler, *Museum Cuficum Borgianum*, Rome 1782, p. 116-134; cf. also

Regnault, “Recherches sur les Druzes et sur leur religion”, in *Bulletin de la Société de géographie de Paris*, nos. 45-46 (1827), p. 5-30; E. Toftbek, “A shorter Druze Catechism”, in *The Muslim World*, no. 44 (1954), p. 38-42; “A Catechism of the Druze Religion”, in *Palestine Exploration Fund*, 1886, p. 35-43.

at nos. 12 and 14, p. 9; *Paris* 1444, 1445, 1446, 1447; Arabic text and German translation in J.C. Eichhorn, “Von der Religion der Drusen”, in *Repertorium fuer Biblische und Morgenländische Litteratur* XII (1783) p. 105-224 (incomplete copy by A. Raineri Biscia²¹ in *Mbi*, vol. XXXVI, 1928, n. A 1745); Arabic text and German translation by R. Kobert, “Ein Abriss der Drusenlehre” in *Studia Biblica et Orientalia Edita a Pontificio Instituto Biblico ad celebrandum annum L ex quo conditum est Institutum*, Rome 1959, p. 165-184; French translation by S. Cinal, “Le Christianisme et l’Islam dans un Catéchisme ésotérique des Druzes de l’époque des Croisades”, in A. Zaborski (ed.), “Islam et Christianisme”, *Actes du colloque 12-14 avril 1994*, Académie pontificale de théologie, Cracow 1995, p. 71-86; French translation, but of a version with 123 questions and answers in J. Azzi, *Entre la Raison et le Prophète*, Paris 1992, p. 261-300 (the original Arabic, published with the pseudonyms Anwar Yâsîs, Wâ’il al-Sayyid and Bahâ al-Dîn Sayfallâh, *Bayna al-‘aql wa-l-nabî*, Paris 1981, is without the Arabic text of the “catechism”). Arabic text with Italian translation is in P. Branca, *Un “catechismo” druso della Biblioteca Reale di Torino*, Milan 1996.²² As far as I know, the handwritten translation of a Druze catechism by Count Francesco Miniscalchi Erizzo, reported by A. de Gubernatis in *Matériaux pour servir à l’histoire des études orientales en Italie*, Paris 1876, p. 245, has not been published.

CXXIII.
